USER MANUAL

BRAINIACS+ ONLINE TUITION BOOKING MANAGEMENT SYSTEM

1.0 Homepage

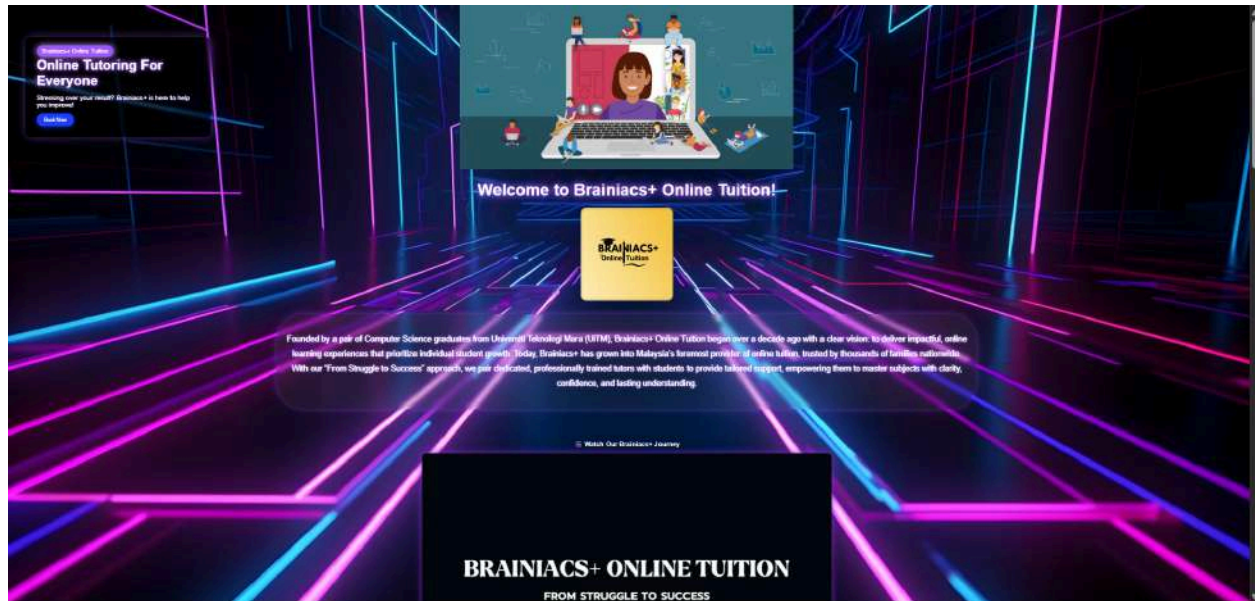

Figure 1.0 Homepage

Description: This homepage presents key information about our tuition booking system, including its features and benefits. The modern design aims to attract students and encourage them to explore our services. A prominent 'Book Now' button is available, and when clicked, it redirects the student to the login page to begin the booking process.

2.0 Register (Student)

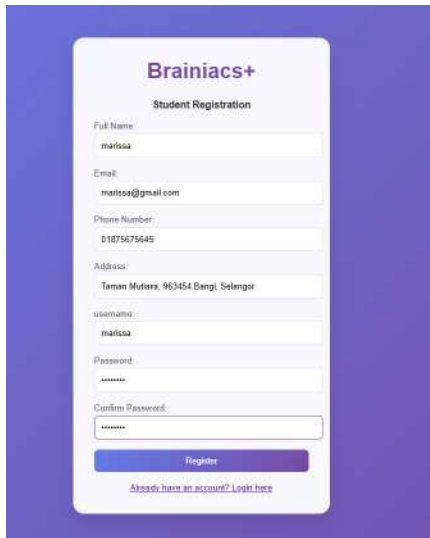

A screenshot of the Brainiacs+ Student Registration form. The form is titled "Brainiacs+ Student Registration" and contains several input fields: "Full Name" (filled with "marissa"), "Email" (filled with "marissa@gmail.com"), "Phone Number" (filled with "01875675645"), "Address" (filled with "Taman Mutiara, 963454 Bangi, Selangor"), "username" (filled with "marissa"), "Password" (masked with asterisks), and "Confirm Password" (masked with asterisks). Below the fields is a blue "Register" button and a link that says "Already have an account? Login here".

Figure 2.0 Register interface

Description: The student must fill in the details in the registration form and click the “Register” button to redirect to login page

3.0 Login

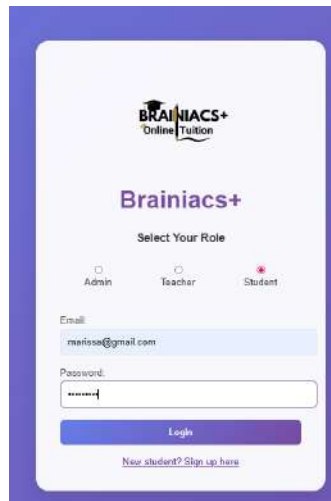

A screenshot of the Brainiacs+ Login form. The form is titled "Brainiacs+ Online Tuition" and "Brainiacs+ Select Your Role". It has three radio buttons for "Admin", "Teacher", and "Student", with "Student" selected. Below the radio buttons are input fields for "Email" (filled with "marissa@gmail.com") and "Password" (masked with asterisks). A blue "Login" button is at the bottom, with a link below it that says "New student? Sign up here".

Figure 3.0 Login interface

Description: The student, teacher and admin must enter their email and password to login. After a successful login, they will be redirected to their respective dashboard.

4.0 Dashboard

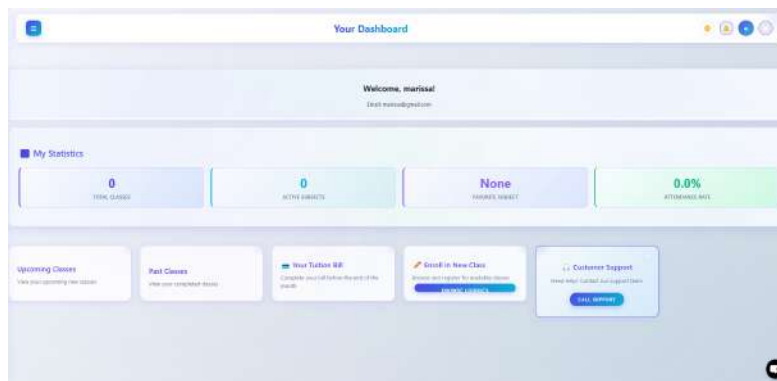

Figure 4.1 Student Dashboard interface

Description: The student dashboard provide access to other features such as as upcoming classes, past classes, class bill, enroll in new class and customer support.

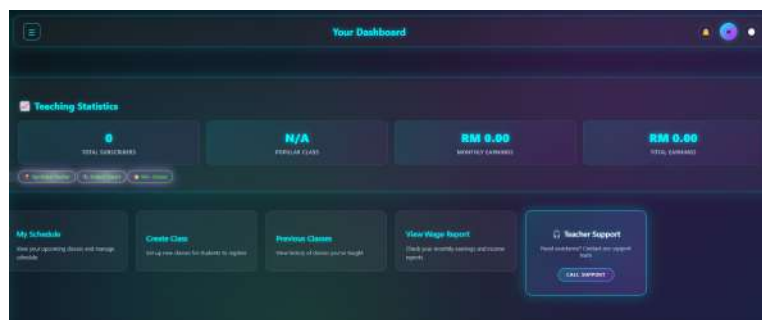

Figure 4.2 Teacher Dashboard interface

Description: The teacher dashboard provide access to other features such as as class schedule, create new class,previous class list, view wage report and customer support.

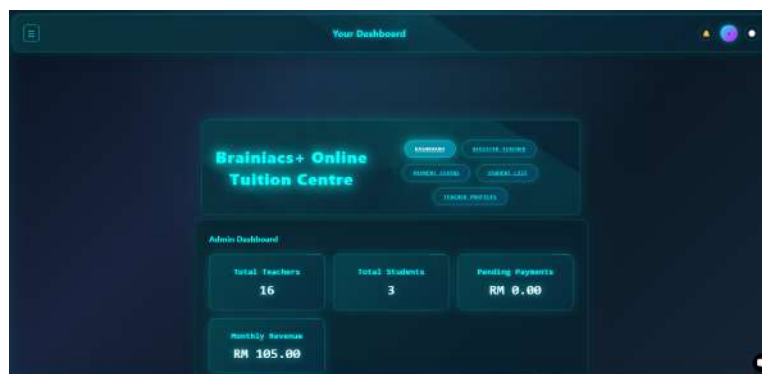

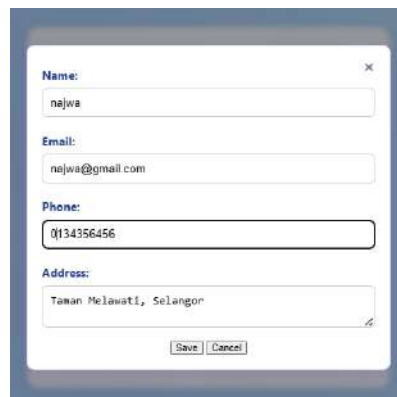

Figure 4.3 Admin Dashboard interface

Description: The admin dashboard provide access to other features such as register new teacher, view payment student status, view student list and view teacher profile.

5.0 Update Account

A screenshot of a web form titled "Update student account interface". The form is enclosed in a light blue border with a close button (X) in the top right corner. It contains four input fields: "Name:" with the value "najwa", "Email:" with the value "najwa@gmail.com", "Phone:" with the value "0134356456", and "Address:" with the value "Taman Melawati, Selangor". At the bottom, there are two buttons: "Save" and "Cancel".

Figure 5.1 Update student account interface

Description: The student can view and update the allowed personal information such as name, email, address and phone .

A screenshot of a web form titled "Update teacher account interface". The form is enclosed in a dark blue border with a close button (X) in the top right corner. It contains four input fields: "Name:" with the value "SIR.FATHI", "Email:" with the value "fathi@brainiacs.com", "Phone:" with the value "012-3345665", and "Subject (Not editable):" which is a disabled field. At the bottom, there are two buttons: "Save" and "Cancel".

Figure 5.2 Update teacher account interface

Description: The teacher can view and update the allowed personal information such as name, email and phone .

6.0 Booking Tuition Session

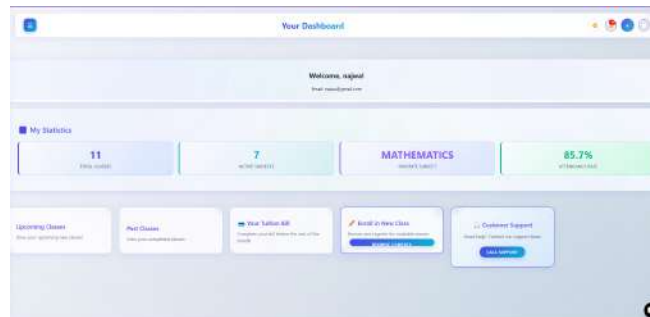

Figure 6.1 “Enroll new class” card for booking tuition session interface

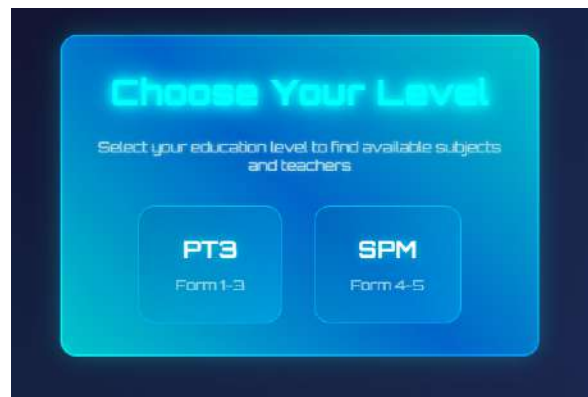

Figure 6.2 Selecting the level of education interface

Figure 6.3 Selecting the subject interface

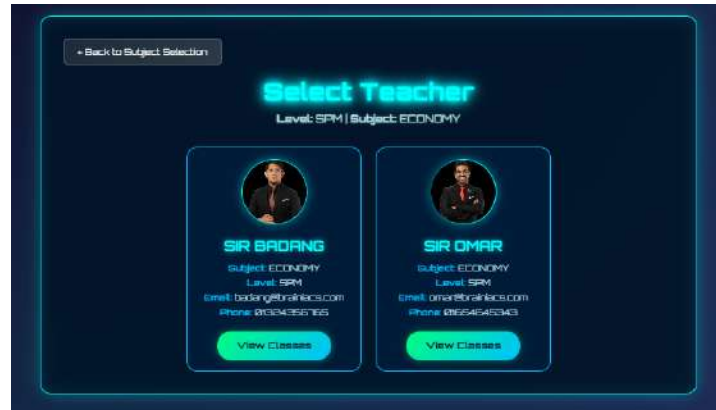

Figure 6.4 Selecting a teacher interface

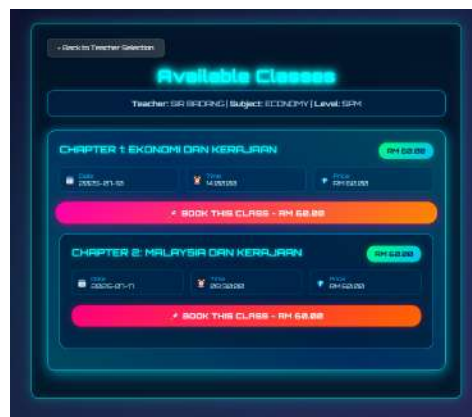

Figure 6.5 Selecting a class to book interface

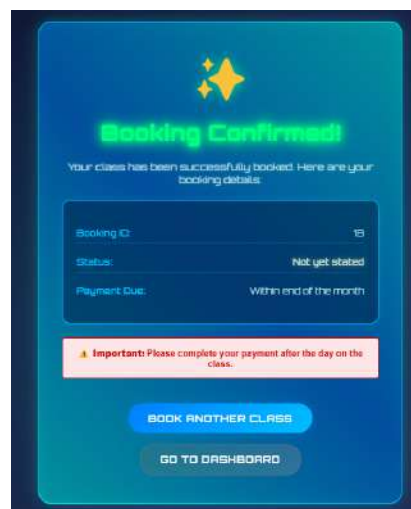

Figure 6.6 Booking confirmation displayed interface

Description: The student can select their level of education, subject, preferred teacher, and class date and time. Once completing the selection, a confirmation page is displayed to indicate that the booking was successful.

7.0 Verify Booked Class

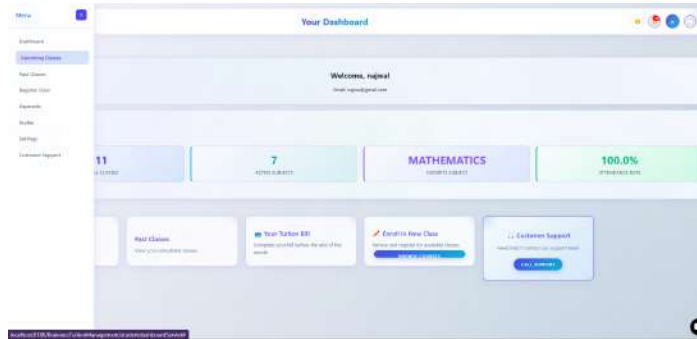

Figure 7.1 Click on “Upcoming Classes” card

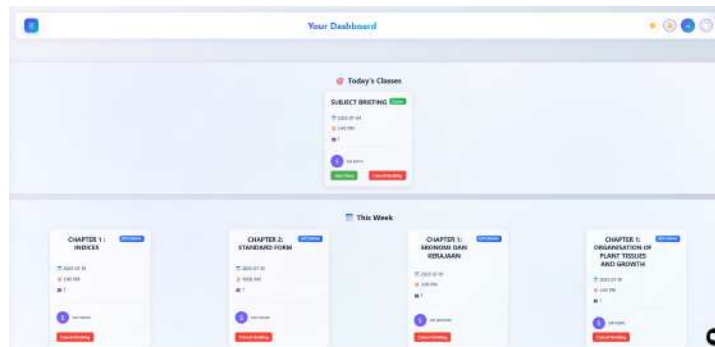

Figure 7.2 Click on “Join Class” card at Today's Classes Section

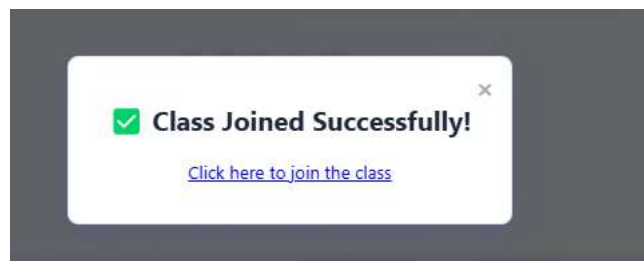

Figure 7.3 Link of the class are given

Description: Students can access the class link for today's sessions by clicking the 'Join' button, after which the link will be displayed

8.0 Make Payment

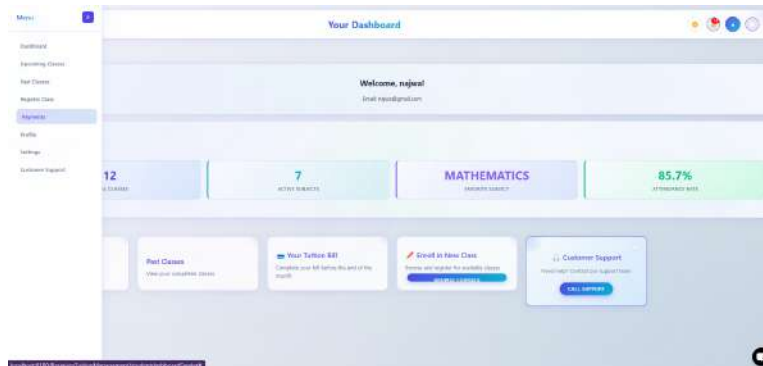

Figure 8.1 Click on “Payment” card

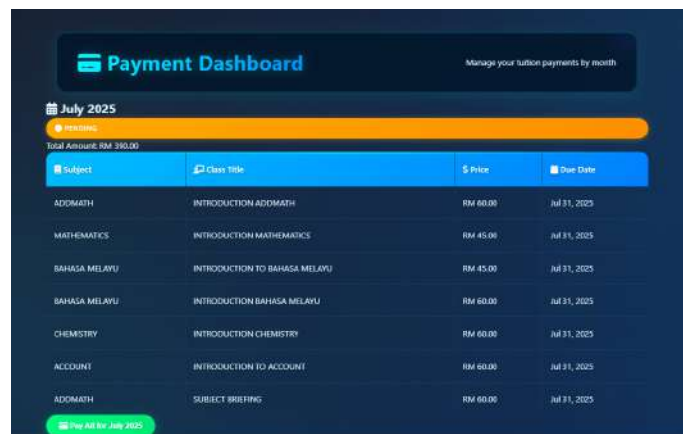

Figure 8.2 Student can see all completed and pending payment

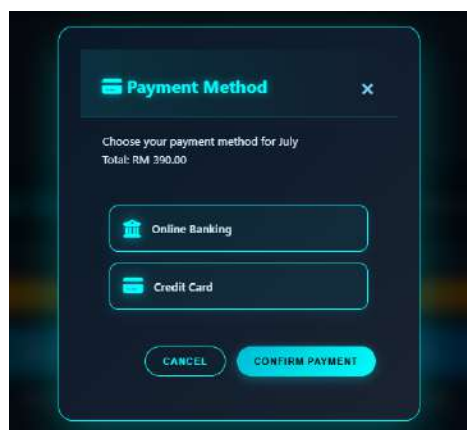

Figure 8.3 Click on “Pay all for (month name) (year)” button.
Choose either Online Banking or Credit Card

Payment Dashboard Manage your tuition payments by month

Payment for 2025-07 completed successfully via online banking!

July 2025

Total Amount: RM 590.00

Subject	Class Title	\$ Price	Due Date
ADOMATH	INTRODUCTION ADOMATH	RM 60.00	Jul 31, 2025
MATHEMATICS	INTRODUCTION MATHEMATICS	RM 45.00	Jul 31, 2025
BAHASA MELAYU	INTRODUCTION TO BAHASA MELAYU	RM 45.00	Jul 31, 2025
BAHASA MELAYU	INTRODUCTION BAHASA MELAYU	RM 60.00	Jul 31, 2025
CHEMISTRY	INTRODUCTION CHEMISTRY	RM 60.00	Jul 31, 2025
ACCOUNT	INTRODUCTION TO ACCOUNT	RM 60.00	Jul 31, 2025
ADOMATH	SUBJECT BRIEFING	RM 60.00	Jul 31, 2025

Figure 8.4 All pending payment will be paid after payment process.

Description: Students can see a summary of all completed and pending payments on the Payment page. To make a payment, they can click the “Pay all for (Month Name) (Year)” button for the selected month. Then, they choose a payment method either Online Banking or Credit Card and complete the transaction. Once the payment is successful, all pending payments for that month will be marked as paid.
